

# Charter of the United Iranians Federation

## Introduction

The United Iranians Federation came to existence following the martyrdom of Mahsa Amini and the beginning of the Woman Life Freedom movement, which led to a national revolution. This federation is a patriotic and national advocating coalition comprising representatives of various Iranian social and political activist groups worldwide, who act in accordance with the national revolution in Iran, complying with the international human rights measure, aiming to establish a secular and democratic government in Iran.

The United Iranians Federation, as a civic and political organizing unit, opposes all forms of violence. The focus of all members of this federation is to **respect differences**.

The United Iranians Federation defines its actions within a non-partisan and non-ideological framework, with no financial dependence on any organization, political or non-political party.

## Beliefs

### **The Lion and The Sun flag**

The United Iranians Federation, as a non-partisan coalition, believes in one flag, the tricolor flag (green, white, and red) with the emblem of the Lion and The Sun, regarding it solely as the national flag of Iran and the symbol of Iranian unity.

### **Territorial Integrity and National Unity**

The United Iranians Federation regards the commitment to the territorial integrity, national independence, and unity as fundamental principles that unify all Iranians, and deems any threat to these principles unacceptable.

### **People's Right to Determine the Political System**

The United Iranians Federation believes that the only way to reach self-determination in the post-Islamic Republic time is through free elections.

### **Leadership of the National Revolution of Iran**

In all its actions, decision-makings, and negotiations, the United Iranians Federation acknowledges and declares HRH Crown Prince Reza Pahlavi as the leader of the National Revolution of the Iranian people until they determine their political system via elections after the Islamic Republic.

# Objectives

The primary objective of the United Iranians Federation is to foster solidarity and unity amongst political groups and organizations that concur with the above-mentioned beliefs, to achieve freedom in Iran.

## **Maximum Pressure – Maximum Support**

The United Iranians Federation pledges to increase global awareness and demand international governments hold the Islam Republic regime accountable for its oppressive, criminal, human-rights abusive, totalitarian, and belligerent behaviour, towards Iranians and non-Iranians both domestically and internationally.

Emphasising the importance of Maximum Pressure on the Islamic Republic regime and Maximum Support for the people of Iran, the members of the United Iranians Federation call on governments and decision-making bodies to be responsive and accountable to the demands of the Iranian people.

The United Iranians Federation, as a unified and active entity, endeavours to amplify the voices of Iranian protests and demands to the international community.

## **Free Elections**

The goal of the United Iranians Federation is to support the enactment and realization of free elections after the Islamic Republic regime in Iran.

*\*All future activities and decisions of this federation are based on beliefs and principles approved by its members at the time of its founding.*
